

## **Matt Morris | Timeless Motor Group | 2005 STi**

### **Biography:**

With over a decade of experience in the automotive show scene, countless Best In Show trophies, magazine features, and a fan base of thousands in the online world, Matt Morris serves as a fantastic champion for aftermarket manufacturers and car care companies. In his youth he was introduced to the automotive culture with helping his father build a 1969 Camaro SS and a 1965 Shelby Cobra. Working on engine, transmission and body work really sparked Matt's interest and had taken his interest in cars to the enthusiast level. Throughout 2013 Matt has participated in multiple partnerships of showing the car for vendors and for show and has the accolades and trophies to showcase his effectiveness.
